TOTAL	100 points	_____

OVERALL COMMENTS:

FORM A (20 points)**END MARKETS AND FINAL DISPOSITION OF PROCESSED MATERIAL**

To what extent does the applicant...

- Describe the end-market for the tires to be processed.
- Have specific contracts or purchase orders for end-users been included (actual only)
- Must have approved, current beneficial use projects that are beneficial in nature (processing for landfill disposal only is not acceptable).

Scale	Poor - Weak 0 - 7	Adequate 8-14	Superior - Outstanding 15-20	Score
-------	----------------------	------------------	---------------------------------	-------

Strengths	Weaknesses

FORM B CONTRACTOR'S CLEANUP PLAN (Assign 12 points to FORM B)

To what extent does the applicant...

- Describe if the tires will be processed on/or off site.
- Describe the types of equipment that will be used.
- Note what, if any, site degradation will occur from set-up of processing equipment, and how this will be rectified.
- Describe if any removal of trees, or changes in topography, will be made to remove the tires.
- Show a site plan of how equipment will be placed (if needed).

Scale	Poor - Weak 1 - 4	Adequate 5 - 8	Superior - Outstanding 9 - 12	Score
-------	----------------------	-------------------	----------------------------------	-------

Strengths	Weaknesses

FORM C (8 points)
CONTRACTOR'S CLEANUP SCHEDULE

To what extent does the applicant...

- Complete the table appropriately with %, tonnage, and day or week schedule
- Allow sufficient time to complete job, so as to leave from within the performance time for unknown delays.
- Relate the cleanup schedule to the capabilities of the equipment or process described in Form B.

Scale	Poor - Weak 0 - 2	Adequate 3 - 6	Superior - Outstanding 7 - 8	Score _____
--------------	----------------------	-------------------	---------------------------------	-----------------------

Strengths	Weaknesses

FORM D (20 points)
EXPERIENCE OF THE CONTRACTOR

To what extent does the applicant...

- Describe experience with previous waste tire cleanups, or other processing and disposal contracts.
- List references or contact individuals for this work experience.
- Describe any contract defaults or terminations, if any.
- Attach any other supporting information of pertinence (company brochures, articles, letters of recommendation).

Scale	Poor - Weak 0 - 6	Adequate 7 - 14	Superior - Outstanding 15 - 20	Score _____
